

GOVERNMENT OF INDIA • MINISTRY OF STATISTICS & PROGRAMME IMPLEMENTATION

MPLAD Scheme • Risk Intelligence Decision Support System (SIH26102)

CONFIDENTIAL • CONSOLIDATED PROJECT ANALYSIS & SITE INSPECTION DOSSIER

COMPOSITE RISK SCORE
93.7 / 100
HIGH SUPERVISORY
PRIORITY

MULTI-SIGNAL SUPERVISORY TRIANGULATION:

- **Cost Anomaly Engine:** Score: 88.6/100 (Deviation: 2.98 std dev from category median)
- **NLP Semantic Duplicate:** Score: 88.4/100 (Cluster Match: WS/MP317/2024-2025/145198)
- **Copernicus Sentinel-2 Check:** Physical Status: **NOT VISIBLE**
- **Citizen Grievance Feed:** 1 Verified Report(s) Registered on Scheme Portal

Work ID:	WS/MP317/2024-2025/145098	Work Status:	Physical Verification Recommended
State:	Bihar	Constituency / District:	Vaishali
Hon'ble MP:	Smt Veena Devi	Parliamentary Chamber:	Lok Sabha
Sanction Amount:	Rs. 50.00 Lakh (Rs. 5,000,000)	Expenditure / Released:	Rs. 50.00 Lakh (Rs. 5,000,000)
Work Category:	Education - Library Books	Sanction Date:	2024-10-15
Implementing Agency (IDA):	MUZAFFARPUR(DISTRICT PLANNING OFFICER MUZAFFARPUR_IDA)	Allocated Contractor / Vendor:	ARUNODAY PRAKASHAN
Work Description:	Purchasing books for competitive examinations in libraries across blocks		

Sentinel-2 Spatial Resolution: 10m/pixel • Observation Verdict: No structural spectral delta detected at target centroid; physical ground verification advised. (Note: Optical analysis subject to regional cloud fraction and high-altitude tree canopy).

SUPERVISORY AUDIT SYNTHESIS: "Flagged for multi-signal statistical variance requiring supervisory field verification."

- **Cost Outlier:** Project sanction is 2.98 standard deviations above the district/category average.
- **Potential Duplicate / Split Sanction:** Description matches WS/MP317/2024-2025/145198 at 88.4% similarity.
- **Satellite Ground Check:** Sentinel-2 optical analysis detected no new structural footprint at geocoded location.
- **Citizen Grievance:** 1 citizen report(s) filed alleging delayed or incomplete execution on-site.

PRIORITY ON-SITE INSPECTION TARGET: Inspect stock delivery registers, verify physical distribution challans at recipient institutions, and confirm no duplicate billing against concurrent sanctions.

GOVERNMENT OF INDIA • FIELD VIGILANCE PROTOCOL & VERIFICATION CHECKLIST

PHYSICAL SITE INSPECTION PROTOCOL • WORK ID: WS/MP317/2024-2025/145098

#	Physical Inspection Check Item	Verification Standard	Finding (Tick)
1	Physical Existence at Coordinates	Verify asset/civil work exists on ground at declared site (25.9898°N, 85.3262°E).	☐ Exists ☐ Missing
2	Technical BOQ Specifications	Physical dimensions, material quality, and quantities match approved sanction estimates and Measurement Book.	☐ Compliant ☐ Deviation
3	Non-Duplication Confirmation	Verify asset is not simultaneously billed under partner sanction (WS/MP317/2024-2025/145198) or state schemes.	☐ Distinct ☐ Duplicate
4	Citizen Grievance In-Person Inquiry	Interview local beneficiaries/residents to verify whether asset is functional and complaints resolved.	☐ Satisfied ☐ Unresolved
5	Official Scheme Inscription Plaque	Permanent stone plaque installed bearing Hon'ble MP Name (Smt Veena Devi), Sanction Amount, and MPLADS Logo.	☐ Installed ☐ Absent
6	Geo-Tagged Photographic Proof	Minimum 3 high-resolution time-stamped photographs captured (front view, plaque close-up, and wide context).	☐ Uploaded ☐ Pending

Inspecting Vigilance Officer: _____

Designation & Department: _____

Date of Physical Inspection: ____ / ____ / 2026

Site Finding: ☐ Approved for Sign-off ☐ Escalated for Audit Review

Officer Signature & Official Seal: _____

CITIZEN GRIEVANCES & PUBLIC FIELD FEEDBACK:

Report ID	Filing Date	Grievance Summary & Citizen Observations	Photo Proof
CR-3589104A	2026-09-18	Checklist verification test grievance	None attached

4-SIGNAL ALGORITHMIC RISK FUSION MATRIX:

Anomaly Detection Engine	Weight	Raw Score	Net Risk Contribution
Cost Anomaly Engine (Isolation Forest + Z-Score)	40%	88.6 / 100	+35.4 pts
NLP Semantic Duplicate Engine (SentenceTransformer)	30%	88.4 / 100	+26.5 pts
Copernicus Sentinel-2 Satellite Engine (Spectral Delta)	30%	100.0 / 100	+30.0 pts
Citizen Grievance Verified Boost (Portal Submissions)	Additive	1 Report(s)	+15.0 pts
COMBINED MULTI-SIGNAL SUPERVISORY RISK SCORE	100%	Fused	93.7 / 100
